The *Ambition & Destiny* Newsletter

The *Ambition & Destiny* Series of books was inspired by Family History research.

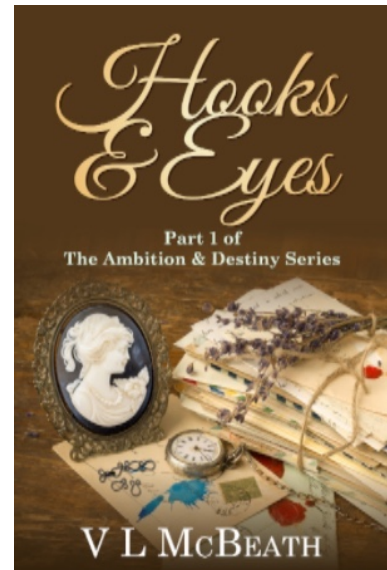

It is a family saga of love, loss and betrayal set against the backdrop of Victorian England.

Hooks & Eyes: Now Available!

Apologies for the unscheduled newsletter, but I wanted you to be the first to know that the eBook version of *Hooks & Eyes* is now available on [Amazon!](#)

Between now and the end of March, it is at the introductory price of 99p / 99c (or equivalent in other markets). It is also available for free via Kindle Unlimited.

Please [click here](#) for the link, and let me know what you think!

You may remember, when you subscribed to the newsletter, that I was offering the chance to win one of five signed copies of the paperback edition (expected April '17).

I can now confirm that the draw will take place on **30th March 2017**.

Everyone on my mailing list on that date will automatically be entered. Good Luck!

If you know of anyone else who would be interested in the books, please ask them to visit valmcbeath.com and sign up for the newsletter.

See you again next month

Best wishes

Val
