(the prequel to The *Ambition & Destiny* Series)

Hi there!

I hope you are well. It seems like this year has passed so quickly, but here we are facing the holiday season once again. I'm not usually one for forward planning, but this year I have managed to arrange some book promotions, which I will share below:

- Special Offers Coming Up...
- Give the gift of a book this Christmas.

Special Offers Coming Up...

To join in with all the offers available around Black Friday, I will be running a couple of ebook promotions towards the end of the month. If you haven't bought the books yet, you might like to put the dates in your diary:

Hooks & Eyes will be reduced to 99p/99c from Sunday 25th November to Wednesday 28th November.

Less Than Equals will also be reduced to 99p/99c. This is the first time I have run a promotion for this book and is something I am testing to see the uptake. At the moment I plan to run the offer from Sunday 25th to Tuesday 27th November, although I might extend it by a day or two if it proves popular.

Due to the way the Amazon website works, the offers are only available through Amazon.com and Amazon.co.uk, but I hope that covers the majority of you who are interested.

I will, of course, send out a reminder nearer the time but don't forget, the books are FREE to read if you subscribe to Kindle Unlimited.

Give the gift of a book this Christmas

For those of you who prefer to read 'real' books rather than their electronic counterparts, or if you would like to give any as gifts, don't forget that paperbacks of the whole series are now available from a range of suppliers.

Unfortunately, I have very little control over the pricing for the paperbacks, but it's worth looking out for price reductions at your preferred supplier as retailers have the margins to reduce the price should they chose.

For example, I know that at the time of writing, Waterstones in the UK has reduced the price of Parts 1 and 3 of the series. Unfortunately, they don't tell me when they are doing it and so I can't always pass the information on.

Books will need to be ordered but should be available from:

[Waterstones](#)

[Barnes & Noble](#)

[Amazon](#)

[Book Depository](#)

To name but a few...

It will take a couple of weeks or more for the books to be delivered (even without Thanksgiving and Christmas getting in the way!), and so if you are interested, it might be worth ordering sooner rather than later!

That's all for this month.
Thank you for your continuing support.

Best wishes
Val
